# JAZZ FUNK / HIP HOP with Ms. Kimberly

Combining the groove of hip-hop and the flair of jazz funk, students will be exposed to a unique style of dance which includes strong technique and freestyle movements. All classes start with a warm-up which consist of a series of strengthening exercises and stretching to improve agility, coordination and flexibility. The students will then move to on learning a dance routine and perfecting it. Each class gives students the basics of dance and through regular attendance they will learn all the fundamentals of being a talented dancer. All styles and classes follow the internationally recognized ISTD dance syllabus.

In March, Island Dance will hold ISTD Hip Hop Exams which are assessed by an external examiner from the UK. All students are invited to take part.\*Any photos taken during class or shows may be used for Promotional purposes
